DESCRIPTION

This bill allows the State Board of Funeral Directors and Embalmers to issue limited licenses for persons wishing to work in funeral establishments licensed only to perform cremations. Applicants are required to pay application and examination fees, and successfully complete the Missouri law portion of the funeral director's practical examination. The bill also exempts persons with limited licenses from participating in funeral director apprenticeship programs. The bill allows the board to grant two thirty-day license extensions to persons who have allowed their licenses to lapse.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
